

## BP Scholarships for Masters in Corrosion Control Engineering

The masters course in Corrosion Control Engineering provides a thorough grounding in corrosion and its control. The course explores principles, protection strategies and industrial applications, preparing its graduates for a career in industry or academia as a Corrosion Scientist/Engineer.

For September 2012 entry, BP is offering the opportunity to apply for BP Scholarships worth up to £15,000, to cover tuition fees and living costs for this one-year course.

Applications from candidates with at least a 2.2 UK Honours degree, or equivalent, in a science or engineering subject, received by the deadline of **31st May 2012**, will be considered for a BP scholarship.

To apply online for this course please see [www.manchester.ac.uk/postgraduate/howtoapply](http://www.manchester.ac.uk/postgraduate/howtoapply). For further information email [pg-materials@manchester.ac.uk](mailto:pg-materials@manchester.ac.uk) or call the Recruitment & Admissions Team on +44 (0)161 306 3559.
